Submission Notes

- Reference walls must be a minimum of 50m sq. At least 2 roped leading walls must be submitted.
If an applicant manufacture walls using different construction methods (resin, concrete, plywood etc) then at least one of each type must be submitted even if this amounts to more than 3 walls.
- A copy of all documentation outlined in the current BS EN Climbing Wall standard should be provided. Please also submit any additional information you believe may apply.
- Structural calculations must be independently verified by a qualified person. If you require CWMA to do so then an additional inspection fee of £200+VAT should be included with your application.
- All CWMA members are required to be Constructionline registered before their application will be authorised by CWMA or membership will be suspended.
- CHAS (Construction Health & Safety Scheme) members are not required to submit H&S details.
- Application details must all be submitted within 30 days of initial enquiry. Details that are additionally requested must be submitted within 30 days. Applications which do not adhere to the above may be refused.
- Application details may be submitted electronically in PDF format.
- Application fees are non refundable.
- Applications should be sent to: info@cwma.co.uk or : CWMA Admin, c/o Curlew Close, Orton, Cumbria, UK,
